The following sections describe each product and include detailed instructions for installation and use.

## BeachFront Quizzer

The version of the BeachFront Quizzer software included on the CD-ROM gives you the opportunity to test your

knowledge with simulated exam questions. The features of the BeachFront Quizzer product include:

- Features study sessions, standard exams, and adaptive exams
- New exam every time
- Historical analysis

If you want more exam questions, you can purchase the full retail version of the BeachFront Quizzer software from BeachFront Quizzer. See the BeachFront Quizzer ad in the back of this book.

## STEP BY STEP

### INSTALLING BEACHFRONT QUIZZER

1. Open My Computer. Double-click your CD-ROM drive (usually D:). Double click the `BFQuiz` folder. Double-click `plain_quiz32a.exe`. The BeachFront Quizzer setup program starts.

2. On the welcome screen, click Next to continue to the license agreement screen. Read the agreement, and click I Agree to continue.

3. On the Choose Destination Location screen, click Next to accept the default file location (`C:\Quizzer`). If you want to install the files to a different location, click Browse and select the file location. After you click Next, the installation begins.

4. After the installation, you will be asked to install Adobe Acrobat Reader. You need Acrobat Reader to enhance the BeachFront Quizzer product. The test questions are mapped to the contents of the book, which you access with the Acrobat (PDF) files. Click the check box marked "Install Adobe Acrobat Reader," and click Next.

5. The Acrobat Reader installation program starts. The Acrobat Reader welcome screen appears first. Click next to continue. The License agreement screen appears next. Read the agreement, and click I Accept to continue.

6. The Choose Destination Location screen appears. If you want to choose a different location, click Browse and select the destination to install the files to. To accept the default, click Next to continue.

7. The Acrobat Reader installation program runs. After the installer is finished, a dialog box will appear that reads "Thank you for choosing Acrobat Reader." Click OK to finish.

8. You're returned to the BeachFront Quizzer installation process. The next screen gives you the option to install the online books. These are the Acrobat (PDF) files that contain the text of the book and are linked to the questions. You should install these to get the most benefit out of BeachFront Quizzer. Check the "Install supplied online books" checkbox, and click Next.

**STEP BY STEP** *Continued*

9. The online books install. When they're done, click Finish to complete the installation. You have the option of starting the BeachFront Quizzer engine now, or later.

### USING BEACHFRONT QUIZZER

1. Start BeachFront Quizzer by selecting Start ➪ Programs ➪ BeachFront Quizzer. The select Exam Screen appears.

2. Select the exam you want to practice for and click OK. A legal warning window appears. Click OK to continue.

3. You will be asked for the CD key. The CD key can be found in a file named `Password.txt` within the BFQuiz folder. Enter the CD key and click OK.

4. The BeachFront Quizzer test engine starts. Select the category you wish to study, and the study mode you want to use, and click Start.
